

Technical drawing of a rectangular plot. The overall dimensions are 5000 units by 5000 units. The plot is divided into four quadrants by a dashed vertical line and a dashed horizontal line. The area of the plot is 22.20 m². The dimensions are as follows:

- Overall width: 5000
- Overall height: 5000
- Top horizontal dimension: 5000 (total), 4800 (inner)
- Bottom horizontal dimension: 880, 750, 890, 1600, 880 (total 5000)
- Left vertical dimension: 5000 (total), 750 (top section), 2125 (bottom section)
- Right vertical dimension: 4800 (inner), 5000 (total)
- Inner width (top): 4712
- Inner height (right): 4712

Technical drawing of a rectangular panel with dimensions and grid lines. The overall width is 4800 and the overall height is 4800. The panel is divided into vertical sections by grid lines 1 and 2. The distance between grid lines 1 and 2 is 4660. The distance from the left edge to grid line 1 is 400, and the distance from grid line 2 to the right edge is 230. The distance between grid lines A and B is 4660. The distance from the bottom edge to grid line A is 70. The distance from grid line B to the right edge is 43. The panel is labeled with grid lines 1, 2, A, and B.

Technical drawing of a log cabin elevation (Axis A). The drawing shows a log cabin with a gabled roof and a small porch on the right side. The overall width is 5000. The roof slope is 14°. The roof dimensions are 2790 (left slope), 810 (right slope), and 810 (total right slope). The total height is 2867. The porch height is 1940. The log cabin height is 1030. The total height including the porch is 2227. The drawing includes a small window on the left and a double door on the right.

Technical drawing of a building facade. The drawing shows a rectangular structure with a central window. The overall width is 5400 units, and the overall height is 2227 units. The window is 1030 units wide and 1030 units high. The drawing includes a grid pattern on the left side and a dimension line indicating a height of 100 units. The drawing is labeled 'Axis 1' at the top left.

Technical drawing of a rectangular structure, likely a wall or panel, showing dimensions and labels:

- Axis 2**: Labeled at the top left corner.
- 5400**: Dimension across the top edge.
- 2867**: Dimension along the left edge.
- 5000**: Dimension across the bottom edge.
- 500**: Dimension indicating the thickness of the top layer.
- 2227**: Dimension along the right edge.

The drawing shows a cross-section of a structure with a brick-patterned top layer and a horizontal-lined bottom layer. A large, faint watermark 'A' is visible in the background.
