

Technical drawing of a rectangular plot. The overall dimensions are 6000 units by 6000 units. The plot is divided into a central rectangular area and four corner triangular areas. The central area has a width of 5712 units and a height of 5712 units, with an area of 32.63 m². The corner triangles have dimensions: top-left (750, 750), top-right (1600, 1600), bottom-left (1210, 1210), and bottom-right (1210, 1210). The total width is 6000 units (1220 + 750 + 1210 + 1600 + 1220). The total height is 6000 units (2625 + 750 + 2625). The drawing includes a dashed line indicating the central area and a watermark 'LOGHO'.

[illegible]

Technical drawing of a log cabin with dimensions and labels:

- Axis A**: Indicated at the top left.
- Roof Dimensions**:
 - Left slope: 3300 (total length), 736 (segment length).
 - Right slope: 736 (segment length).
 - Roof height: 300.
- Wall Dimensions**:
 - Left wall height: 2227 (total), 1030 (lower section).
 - Right wall height: 2998 (total), 1940 (lower section).
- Overall Dimensions**:
 - Width: 6000.
 - Height: 2998.
- Structural Details**:
 - Windows: One small window on the left wall, and two larger windows on the right wall.
 - Doors: Two doors on the right wall, each with a small window.
 - Log Cabin Structure: The walls are constructed from horizontal logs.

Technical drawing of a building facade. The drawing shows a rectangular structure with a central window. The overall width is 6400 units. The overall height is 2998 units. The window is 1030 units wide and 500 units high. The distance from the top edge to the top of the window is 100 units. The distance from the bottom edge to the bottom of the window is 2227 units. The distance from the left edge to the left side of the window is 6000 units. The drawing includes a scale bar at the top labeled 'Axis 1' and a north arrow pointing towards the top right.

[illegible]

Technical drawing of a rectangular structure, likely a wall or panel, showing dimensions and labels:

- Axis 2**: Labeled at the top left corner.
- 6400**: Dimension across the top edge.
- 500**: Dimension across the left edge, indicating the width of the top section.
- 2998**: Dimension across the left edge, indicating the total height.
- 6000**: Dimension across the bottom edge.
- 2227**: Dimension across the right edge, indicating the height of the bottom section.
- 100**: Dimension across the right edge, indicating the thickness of the structure.
