

NIDA
LOG HOUSES

Floor plan of a rectangular room. The overall dimensions are 5000 mm by 6000 mm. The room is divided into two sections by a vertical dashed line. The left section is 2720 mm wide and 5712 mm high. The right section is 2280 mm wide and 5712 mm high. The total area is 26.91 m². The room is labeled with '1' and '2' at the top corners, 'A' and 'B' at the bottom corners, and 'L' and 'G' in the center. A large 'N' is also visible in the center.

Technical drawing of a rectangular plate. The overall width is 4800 and the overall height is 5800. The plate features a grid of horizontal lines. The distance between the first and last horizontal line is 4660. The distance between the first and last vertical line is 43. The distance between the first and last horizontal line is 70. The distance between the first and last vertical line is 70. The plate is labeled with '1' in the top left corner, '2' in the top right corner, 'A' in the bottom right corner, and 'B' in the top right corner.

[illegible]

Technical drawing of a rectangular structure, likely a wall or partition. The drawing shows a cross-section with a brick pattern on the top section and a smooth surface below. Dimensions are indicated:

- Top width: 6400
- Top height: 100
- Bottom width: 6000
- Bottom height: 2227
- Right side height: 2867
- Right side width: 500
