Technical drawing of a rectangular structure, likely a wall or partition, showing dimensions and a brick pattern. The drawing is oriented horizontally. The top horizontal dimension is 6400. The bottom horizontal dimension is 6000. The left vertical dimension is 2227, and the right vertical dimension is 2998. A horizontal line is drawn at a height of 500 from the bottom. The area above this line is filled with a brick pattern. The area below this line is divided into two sections: a narrow section on the left and a wider section on the right. The narrow section on the left has a width of 500. The wider section on the right has a width of 2998. The brick pattern is also shown in this wider section, extending down to the 500 height line. The overall structure is labeled 'Axis 2' at the top left.
